To whom it may concern

We are writing to confirm that we have been using the services of Fosse Specialist Roofing Ltd. since March 2015 and have always been completely satisfied with their work.

Our work is often quite complex and bespoke; however the company always rise to this challenge. They have proved to be very knowledgeable offering solutions as and when needed. Their work is always completed within the timescale. An easy company to work with - efficient, reliable and courteous.

We are happy to recommend the services of Fosse Specialist Roofing based on our findings. Please let me know if you have any further questions.

Yours faithfully
